

# MINI-ADJUSTABLE SPEAKER STAND

## SSAS7000B | 12662

## FEATURES AND BENEFITS

Light and compact, the SSAS7000B is an excellent choice for light-duty work in bars, clubs, hotels, churches and other venues where small portable PA's are routinely used. An ergonomic knob adjusts stand height from 27" to 46", while the folding tripod base maintains a low center of gravity, allowing exceptional stability when used with speakers up to 60 lbs. in weight. The 1-3/8" upper shaft is compatible with virtually all current pole-mount speakers.

The SSAS7000B is perfect in venues where small portable PA's are routinely used, and also packs up super compact to take on the road!
